

InTouch Summer Camp 2019

St Mary Gillingham Scouts

InTouch Number : 07833 76 13 83 (emergency only)

This does not replace the 999 or any other emergency service.

Introduction

We operate an InTouch scheme, where by all contact between the Scout members on camp and parents is coordinated centrally to reduce the pressure on leaders should an incident arise. The InTouch coordinator has contact details for everyone (members and leaders) on camp and is best placed to manage communications. The InTouch number changes depending on the event so please check the correct event is in the title above.

We ask that members do not take mobile phones on camp.

Please do not try to contact the Scout leaders or members on camp directly.

What if there is an incident on camp?

Should there be an incident of sufficient severity then a Scout Leader will contact the InTouch coordinator with details of the incident, this may well be some time later as the priority would be to manage the incident. The InTouch coordinator will then immediately contact parents and the Group Scout Leader.

Should you be informed of an incident please do not contact the Scout Leaders or members on camp directly this would be a distraction.

What if there is an emergency at home?

Should you need to contact your child in an emergency, you should only contact the InTouch coordinator, who will pass your message along immediately it is possible. The InTouch coordinator will have a list of all leader contacts plus a detailed itinerary with further contact details and places.

Please do not try to contact the Scout Leaders or members on camp directly.

Routine communication

We advise that you do not try to contact your child while away on camp. Should your child need to contact you we will arrange this.

Please do not try to contact the Scout Leaders or members on camp directly.

No news is good news.

What if I hear nothing?

If there is a problem only the person who's details are on the application form will be contacted, **it is your responsibility to make sure these are correct and that someone is always available to take a call.**

What is the InTouch number?

07833 76 13 83

The InTouch number changes depending on the event so please check the correct event is in the title above.

No one answers the number?

The InTouch number can also be found on the Application or Consent form you signed for this activity or event.

From time to time it may not be possible for the InTouch coordinator to answer a call but it will always be possible to leave a message.

Group Scout Leader

There is a contact form on the Website for the Group Scout Leader.
